Advanced weekly scheduler and cleaning cycle options

## Dolphin M 700

Welcome to pool cleaning on a whole new level. The Maytronics Dolphin M700 robotic pool cleaner saves you valuable time with its simple operation and Wi-Fi® connectivity. Use the MyDolphin™ Plus mobile app to customize cleaning schedules for your convenience and your pool's needs. The M700 was masterfully designed to deliver incomparable scrubbing of the floor, walls, and waterline. It's got a unique sensor that lets you know the water temperature, and a gauge that shows you 5 levels of filter status, and if the filter is clogged up.
